

## **NAWIC Construction Camp**

### **Being held June 5-9, 2017 at various locations beginning at “The Builders’ Training Center”**

The National Association of Women in Construction (NAWIC) partners with the Kansas City Construction Industry to offer high school age girls an opportunity to learn in a hands-on FREE summer day camp the basic skills of carpentry, electrical, welding. Camp activities also include a field trip, tool demonstrations, and much more!

Journey level tradeswomen will team teach with instructors at The Builders’ Association Training Center in safety, carpentry, concrete, painting, plumbing, electrical and welding skills during this free camp. By the end of this week, Campers will have several projects to take home with them and show off the skills they learned.

I give permission for my daughter named above to participate in all Construction Summer Camp activities scheduled for June 5<sup>th</sup> - June 9<sup>th</sup>. I understand that there will be “hands-on” activities offered in the camp, and that a field trip is scheduled for Friday, June 9<sup>th</sup>. I understand that my daughter must have personal insurance coverage prior to participation in the summer camp activities. We understand that appropriate dress for construction is required. That includes jeans or khaki pants, close-toed shoes or boots and something to pull back long hair. I understand that Camp directors will make every effort to keep this summer camp experience educational and safe. I also give NAWIC and the Camp’s Company Sponsor’s the permission and authority to use my child’s picture or videotape for press releases and other activities that promote safety, job recruitment and retention, or any positive industry related event. I release the camp directors and National Association of Women in Construction (NAWIC) from liability for any physical injury that may occur.
